Vicar's Verbals

Every time I come in and out of my front door I look at the tops of the hyacinth bulbs which I rather belatedly shoved into the planters next to the door step. They were some rather expensive bulbs a close friend kindly gave us when we moved to the Vicarage, but they were left far too long in a mouldy paper bag in the shed, and I really despaired that they would flower. When, after the Crucifixion the one or two disciples who hadn't run away hurriedly buried Jesus, they thought that the wonderful gift which God had given them had been ruined, and that there was no hope of the Kingdom of God which Jesus had promised them. They were wrong, and so was I. The leaves on the tops of the bulbs are slowly opening and revealing their tightly furled treasure. Easter is about the fact that God allowed his love for us to blossom and bear fruit even though we had tried to cut down the True Vine, Jesus Christ. May I wish you a blessed and joyful Easter and if you are not a regular churchgoer, may I encourage you to join the worshipping communities at the Easter Services.

Revd Matthew Bradbury BA, The Vicarage, Church Road, Wisbech Saint Mary, PE13 4RN. Tel: 01945 410814

Matthew.

+ Easter Services 2009 +

If you are a newcomer to the villages, or someone who attends church infrequently, or if you are 'just looking', please make this Easter the time when you come to church and join the worshipping communities for fellowship and spiritual nourishment. In Wisbech St Mary we are particularly keen to revive and renew the tradition of a Walk of Witness on Good Friday and we hope that all those who love the Lord will join us in this dignified public demonstration of our faith.

This year we are celebrating an evening Holy Communion on Monday, Tuesday and Wednesday of Holy Week, starting at 7.30pm on each occasion: Monday at Emmanuel Southea, Tuesday at Wisbech St Mary, and Wednesday at St Paul Gorefield. There will be a short themed address at each Church on the subject of *Sacrifice*. On Maundy Thursday in Wisbech St Mary Church there will be an *Agape* (fellowship meal) at 6.45pm, followed by Holy Communion at 8pm and then The Watch until midnight (Compline at 11.45pm).

On Good Friday, there will be a Children's Activity Morning from 10am-12noon in Wisbech St Mary Church, and the Walk of Witness, starting at Church House at 1pm. This will be followed by a Quiet Meditation on the Passion in the Church between 2.15 and 3pm. A similar Meditation will be offered at St Paul's Gorefield between 9am and 9.45am, and at Emmanuel, Southea, between 2.15 and 3pm.

There will be a North Nene joint service for Holy Saturday (Easter Vigil and the Easter Fire) at 8pm at Tydd St Giles.

Easter Day services in these parishes will start with an 8am Holy Communion (Book of Common Prayer) at Wisbech St Mary, and then Communion services at Emmanuel Southea at 9.30am, St Paul Gorefield at 10am, and Wisbech St Mary at 11am (Sung Eucharist).

For more information about the Easter Services please contact the Vicar or Churchwardens.

GUYHIRN CHAPEL OF EASE

The first service of the 2009 season to be held in Guyhirn's historic Chapel of Ease, will be **Morning Service on Sunday April 26th at 9.30am**. All residents of whatever faith are invited to share the unique atmosphere of the Chapel when in use.

The Chapel has received several visitors during the autumn and winter, including Robert Wickham, a distinguished Chartered Surveyor who has his office in Westminster. Mr Wickham attends and preaches in the City Temple in London's Holborn

City Temple, is an historic Free Church in the City of London, and, like our Chapel, has its roots in the Protestant Reformation of the 16th century. The traditional date of the founding of the Temple is 1640. Puritans, who became known as Non-Conformists, because they refused to conform with the Book of Common Prayer, campaigned for the reform of the Church of England. It is the only Free Church in the City of London worshipping in its own building, regularly every Sunday.

Our next meeting will be on Tuesday April 7th at 2.15pm in the church, when we will welcome the walkers with the Student Cross and give them refreshments as they travel on to Wisbech and continue their pilgrimage to Walsingham for Good Friday and Easter. Everyone is most welcome to join us. *Love to you all.* Lilian Bridgen.

ROGATION WEEKEND EXHIBITION

The bi-annual exhibition of agricultural tools and implements will be held in Wisbech St Mary church on May 16th and 17th. We are looking for artefacts from all three parishes, preferably items that are unusual. Please would farmers and gardeners contact Brian Payne on 01945 410755 for further details. Historically, farmers often had their crops blessed by a priest at Rogationtide, which always occurs during the spring. A common feature of Rogation days in former times was the ceremony of "beating the bounds", in which a procession of parishioners, led by the minister, churchwarden, and choirboys, would proceed around the boundary of their parish and pray for its protection in the forthcoming year.

ADVANCE NOTICE: CHURCH'S GARDEN PARTY

There is to be an afternoon Garden Party in Elgood's Brewery Gardens on Sunday June 7th.

This informal, pleasant Sunday afternoon occasion is for the benefit of parishioners from the three churches and their guests. The Clarkson Singers will be singing for us in the gardens.

Details of admission and timing to follow in next issue of *Village Voices*. Please make a note in your diary!

JOHN PECK SOCIETY

The next meeting on Tuesday 21st April, at 7.30pm in the Village Hall, Parson Drove, will be an illustrated talk about the Middle Level Drainage and the new pumping station at St Germans, by their Chief Executive, Iain Smith.

For those of us living in the Fens, this will surely prove an interesting evening, as the most vital service with which we are provided, but seldom have cause to think about, is the drainage of this huge area which is at about sea level, with some places many feet below high tides. John Peck, (1787-1851, who lived and farmed in Parson Drove), was very involved with improving the wet conditions and poor drainage on the land in his day. He was the driving force behind the digging of the North Level Main Drain from Parson Drove through Newton and Tydd St Giles to Tydd Four Gotes, and into the river Nene at Foul Anchor. Originally four streams entered the river, with sluice gates on each, hence the name of Four Gotes, ie: gates.

Refreshments. Entrance for non-members £3.00.

Diary date: The Society's following meeting is October 20th, when we will learn how John Peck fared on the early steam paddlers!

TIME MACHINES AND ITALIAN FOOD AT GUYHIRN SCHOOL!

In February a time machine landed in Guyhirn Church of England Primary School Hall as part of the school's theme on time travel. The children's author, Julia Jarman, came to visit for this special event. She led workshops in each class to talk about being a writer and share tips with us. We will be putting all Julia's advice into our own work.

We also had an Italian Day in February. We all had tickets and passports to board the plane in the school hall! Once the plane took off the cabin crew (the teachers) brought us drinks whilst we watched the in-flight movie. The day was spent creating Italian fashion designs and cars; playing Italian themed sports; and making and eating Italian food.

The children from Lions and Tigers class visited Wisbech Museum in March to learn about life and times in the Fens. This was an interesting and informative experience which the children thoroughly enjoyed. The children are always keen to learn about where they live, so if you are interested in sharing information about Guyhirn village, please get in touch with the school.

Our Eco committee have recently cleaned out the school pond, and, hopefully, we will see some frog spawn in there soon. We take great pride in our environment areas around the school, and enjoy taking care of them. We are looking forward to seeing the plants grow, and being able to eat some of them!

GOREFIELD PRIMARY SCHOOL

Classes 1 and 2 visited Denny Abbey near Cambridge. This is Daniel's report.

"One cloudy Monday on the 9th of March, classes 1 and 2 from Gorefield Primary School went to Denny Abbey for the day.

First we went into a room, and a lady showed us some old tools and described how they were used. Next we went into a mock Victorian village shop, and we learned about how they used to do their shopping and the things they used to buy. Then we went into room with old toys in, and we were allowed to play with them. After lunch we went into the Abbey, and we were allowed to run around and investigate where the monks lived.

Just before we had to leave we were given the chance to milk a cow (not a real one) and look around the farm building. When we got back on the bus, we all agreed it had been a real fun day".

Daniel, age 7, Year 2.

JULIE'S PATCH

It's that time of year when we will be getting out our lawnmowers and garden tools as we try to get our gardens back into shape after the winter.

Do you know what you have in your shed? More importantly, are your tools postcoded or security marked? Do you have the serial numbers of your electrical tools?

How secure is your shed or garage?

Taken a few minutes to have a look round; you might surprise yourself.

If you would like some advice, give me a call on 0845 456 4564 ext 3799, or email me at julie.coales@cambs.pnn.police.uk

A PEOPLE'S PERSON

How shall I describe this man
This lawyer who is now a priest
He has come to live among us
Speaking words of love and peace.

Are you sick, or sad, or lonely?
Call, and he will visit you
He will listen to your problems
He will talk and laugh with you.

Go to church and hear his sermons
Even if of little faith
You will leave with deeper thoughts
Of how to lead a happy life.

Through these restless days we live in
Worlds (and families) at war
Calm and peace are what is needed
These we search for more and more.

Here we have a people's person
Kindness from the heart we see
Celebrate that he is with us
Helping us to find our way.

Such a change, from law to priesthood
He may find a stoney way
Wish him well on his fine journey
As he faces each new day.

Anon.
