Items outstanding from previous inspection: roundabout - . Playing Field Committee to sort this out, top soil which is required will be done in the Spring, Streetpride are to remove the conifer from the Pocket Park and then the bench can be cleaned up. Chairman has an Oak tree to plant in the Pocket Park.

### (5) **New Pavilion**

Councillor Carroll and Ridley attended a funding meeting held at Chatteris organised by our MP Steven Barkley. Funders included Football Foundation and Living Sport attended. The MP was very helpful and is to arrange a further meeting with Parish Councillor and funders. Bid is being made to Fenland DC for a further £50,000 from Rural Fund. Application can be made to Wren in November for £40,000 for internal finishing. Chairman and Councillors Carroll and Carroll met today to prepare details for application form. They also invited Barry Hunt to attend. He is to look into the matter of VAT on the new building. Proposed Councillor Mrs Hall and seconded by Councillor Holt that a confidential item be put on the next agenda to formalise acceptance of one of the tenders for the new build. Peggs Construction to be asked to give details of changes they have made to their revised offer.

### (6) **Parish Plan**

Chairman wished it to be noted that John Timms was the Chairman of the former Parish Plan Committee not as stated in the previous minutes. This committee is no longer active.

Meeting held at the School to discuss safety outside the school. Speed Watch to be used to check the speed of vehicles passing the school. Zig zags are already as long as they can be. Another meeting has been organised for 8<sup>th</sup> November.

### (7) **Queen's Diamond Jubilee**

The second meeting held on the 22<sup>nd</sup> September was very poorly attended, therefore it did not seem viable to form a committee to organize an event for the village. A note has been put in the next addition of Village Voices telling everyone what is happening and to ask people to apply to the Parish Council if they wish to organise any event. Janet Ward has approached Councillor Mrs Hall with a suggestion that the Village Hall Committee may be interested in organising a tea party for people in the village who were born before 1952. This would probably be on the Sunday following a service in the church.
