### **115/25 MATTERS ARISING NOT ON THE AGENDA**

None

### **116/25 MATTERS ARISING ON THE AGENDA**

#### **(1) Highway Matters**

Flooding outside The Woodmans was reported to Cambs Highways by Councillor Mrs Clark and this has now been dealt with. Allens Drove bridge has been damaged and barriers have now been put up. A new Cambs Highways officer has been appointed for our area. Councillor Clark has her contact details which she will pass on to the clerk.

Councillor Osborn was unable to give any update on highway matters still outstanding in the village but will try to do so for the next meeting.

(2) **Speed Watch**

Report received from Councillor Mrs Cutler:

The situation previously reported to the Parish Council regarding the lack of volunteers of Gorefield residents has not improved.

However, we have recently managed a few sessions in Gorefield due to Murrow volunteers who have been willing to cover sessions in Gorefield in addition to Murrow. If the volunteer situation improves, we will be able to hold more sessions in your village. We take every opportunity to advertise.

The recent speeding data has been strong enough for me to call for Police enforcement, which I hope comes to fruition. As a comparison, numerous police enforcement sessions, both during CSW sessions and without us, have taken place in Parson Drove over the last few months. Enforcement is having a positive effect because at the last 3 sessions we abandoned Parson Drove part way through, due to nothing speeding, and went and set up in Murrow instead. (Where there is still a huge speeding problem).

It's almost that time of year again so please convey my best wishes to you all for a merry Christmas and a happy and healthy new year.

(3) **Play Equipment**

Repairs are ongoing

(4) **Reports from Cambridgeshire and Fenland DC Councillors**

Barton Road highway works are ongoing but are on course to be finished by March. Repairs to Parson Drove bridge have been postponed until July/August.
