Vicar's Verbals

I was in our very excellent Doctors' surgery recently, waiting for an appointment. Their electronic display board, which normally calls the waiting patients into the doctor's consulting room, was obviously 'on the blink'. It had reverted to some sort of factory setting and was repeatedly scrolling gibberish:

welcome:to:the:world:of:color
and a date in 1996. Even though the device was faulty, the receptionists were plainly unable to put it to sleep, doubtless because it was deeply embedded in the brain of their integrated appointments system. Although its message was utterly meaningless, the prominent position of the screen and its cascading red words irresistibly attracted the eye. So much around us is designed to capture and enslave our attention that we are often powerless to escape the assaults of all the placards, displays, screens and speakers. Advertising is the worst of course, cunningly crafted to attract, beguile and persuade us to part with our last penny for some bauble or gadget. Sitting spellbound under the display, I longed to climb on a chair and yank the wire out of the back of the wretched machine, but I reflected that, once repaired, it would become again an inelegant but serviceable device for disseminating useful information. A bit like me I suppose. **Matthew**

NEW RURAL DEAN TAKES OVER

Over 120 people from churches across the Deanery attended the Choral Evensong in Wisbech St Mary & Guyhirn church on Sunday January 30th, during which Rev Matthew Bradbury was licensed as Rural Dean of Wisbech Lynn Marshland. It was a beautiful service. A large united choir played a major part, this being one of Matthew's wishes, with excellent accompaniment by organist David Stone. We were very impressed with Matthew's singing of his part of the service.

The Archdeacon, the Ven Hugh McCurdy, provided the humour of the evening, as he outlined Matthew's duties, He then gave a stirring address, his theme being "The best is yet to come". The intercessions were ably led by Brian Payne.

The congregation enjoyed tea and cakes afterwards, organised by the ladies of the church.

Bill and Rosemary Peggs.

WOMEN'S FELLOWSHIP GO ON A POSTCARD JOURNEY

At our February meeting Andrew Ingram described, in words and postcards, the work of Herbert Coates, a long ago resident of Wisbech, who brought into being the scenic postcard for this area. We were taken on a postcard journey from Wisbech through to Hunstanton, around to Great Yarmouth and back home to Wisbech St. Mary.

At the next meeting, on March 10th, David Reeve, head of security at Sandringham will be telling us about his job. Our meetings are held in the School hall at 7pm and new members are always welcome.

MOTHERS' UNION HEARS OF RESTORATION WORK

We welcomed to our meeting on Tuesday February 1st, George Payne and his wife from St Mary's Church, March, who told us how the restoration work was proceeding after the disastrous fire last year.

Our next meeting will be on March 1st in the Church House, WSM, at 2.15pm. Everyone is most welcome. **Lilian Brigden**

The Acolytes' Guild

If you ever trouble to read the weekly pew sheet in church you may have noticed the occasional meeting of a mysterious society, *The Guild of Acolytes*. What is this strange organisation? Is it like something out of a Dan Brown novel: part of an international conspiracy to use the good offices of the Church of England to subvert and enslave the faithful to some nefarious end? Well...no.

The office of 'acolyte' is very ancient indeed (dating from the earliest churches in ancient Rome) and refers to persons who have been selected and trained to assist the priest and deacon at the altar during Holy Communion. Our Acolytes' Guild is a troop of youngsters who assist us at the altar on Sundays, by 'serving' and taking part in the gentle and ancient pageantry of our worship. Ten youngsters, varying in age between seven and sixteen, are learning the meticulous and sensitive business of laying up the altar, of liturgical processions, of presenting the bread and wine for consecration and accompanying priest and people as they approach the holy places in our church and our liturgy.

As part of that work we are learning many things together. We learn the scriptural and historical basis of the actions and words we use in church to frame the Sacraments. We learn about team work, about listening and observing, about stillness and movement, about receiving and giving blessings. But it's not all

study and 'Sunday best'. My colleague Lilian Brigden and I are also privileged to have some wonderful evening meetings with the youngsters where we use their inexhaustible imagination and irrepressible enthusiasm to look a little deeper at Bible stories and church history and even some quite complex issues of doctrine and tradition. When I tell you that our meetings over the last couple of years have involved treasure maps, radio controlled helicopters, a miniature steam engine, pancakes, and secret signs and ciphers, you may realise that we have fun as we learn.

I wish I could simply throw open the doors to any youngster to join us, but as is often the case in life, in order to gain membership you have, firstly, to make a real commitment to the life and work of the community you seek to join. Our youngsters earn their place in the Guild by coming to church regularly and taking part in the worship. They are not admitted until they are confident enough to understand and fulfil the responsibilities of servers and acolytes in the weekly services at church.

If you know a young person who would like to start coming to church, perhaps as a preparation for baptism or confirmation, or perhaps because they have started to ask probing questions about religion, spirituality or faith, do ring me or drop me a line; my details can be found under 'useful contacts'.

Father Matthew.

LENT: WHAT'S IT ALL ABOUT?

Lent is the period of 40 days which comes before Easter in the Christian calendar. Beginning on Ash Wednesday, it is a season of reflection and preparation before the celebrations of Easter. By observing the 40 days of Lent, Christians replicate Jesus Christ's sacrifice and withdrawal into the desert for 40 days. Lent is marked by fasting, both from food and festivities.

Lent is an old English word meaning 'lengthen'. Lent is observed in spring, when the days begin to get longer. Purple is the symbolic colour used in churches throughout Lent, for drapes and altar frontals. Purple is used for two reasons: firstly because it is associated with mourning and so anticipates the pain and suffering of the crucifixion, and secondly because purple is the colour associated with royalty, and celebrates Christ's resurrection and sovereignty.

SHROVE TUESDAY IS THE DAY BEFORE ASH WEDNESDAY.

It's a day of penitence, to clean the soul, and a day of celebration as the last chance to feast before Lent begins. Shrove Tuesday is sometimes called Pancake Day after the fried batter recipe traditionally eaten on this day.

But there's more to Shrove Tuesday than feasting on pancakes or taking part in a public pancake race. The pancakes themselves are part of an ancient custom with deeply religious roots: Penitence. Shrove Tuesday gets its name from the ritual of shricing that Christians used to undergo in the past. In shricing, a person confesses their sins and receives absolution for them. When a person receives absolution for their sins, they are forgiven for them and released from the guilt and pain that they have caused them. This tradition is very old. Over 1000 years ago a monk wrote in the Anglo-Saxon Ecclesiastical Institutes: "In the week immediately before Lent everyone shall go to his confessor and confess his deeds and the confessor shall so shrive him".

Shrove Tuesday is a day of celebration as well as penitence, because it's the last day before Lent, a time of abstinence, of giving things up. So Shrove Tuesday is the last chance to indulge yourself, and to use up the foods that aren't allowed in Lent.

During Lent there are many foods that some Christians - historically and today - would not eat: foods such as meat and fish, fats, eggs, and milky foods. So that no food was wasted, families would have a feast on the shricing Tuesday, and eat up all the foods that wouldn't last the forty days of Lent without going off. The need to eat up the fats gave rise to the French name Mardi Gras ('fat Tuesday'). Pancakes became associated with Shrove Tuesday as they were a dish that could use up all the eggs, fats and milk in the house with just the addition of flour.

ASH WEDNESDAY

Ash Wednesday is a day of repentance and it marks the beginning of Lent. Ashes were used in ancient times, according to the Bible, to express mourning. Dusting oneself with ashes was the penitent's way of expressing sorrow for sins and faults. An ancient example of expressing one's penitence is found in the book of the prophet Jeremiah, calling for repentance: "O my people, gird on sackcloth, roll in the ashes" (Jer 6:26). The prophet Daniel pleaded for God this way: "I turned to the Lord God, pleading in earnest prayer, with fasting, sackcloth and ashes" (Daniel 9:3). Just prior to the New Testament period, the rebels fighting for Jewish independence, the Maccabees, prepared for battle using ashes: "That day they fasted and wore sackcloth; they sprinkled ashes on their heads and tore their clothes" (1 Maccabees 3:47).

WSM GARDEN OF REMEMBRANCE

Lent starts on Ash Wednesday, March 9th. This is the time of the year we remind everyone that the Christmas wreaths should be removed to make way for the Spring flowers for Mothering Sunday and Easter. If you are unable to clear them, I will remove them for you.

Thank-you once again for your help in keeping the Garden of Remembrance a peaceful place for everyone. May God bless you and keep you safe.

Lilian Brigden, (Reader).

PRE-SCHOOL "GOOD IN ALL AREAS" As reported in the "Wisbech Standaard".

Gorefield Pre-school has been judged to be good in all areas after the first report by inspectors since moving into its new purpose-built premises. During the inspection in December, an Ofsted inspector said the overall provision was good, with children's learning promoted through a knowledgeable and supportive staff team. The pre-school moved from its 60-year-old premises into its new £100,000 building in the grounds of the primary school last July. There were 25 children aged two to five years on roll. Inspector Sue Rogers said in her report: "Children's learning is well supported by a caring and committed staff team. Children are encouraged to be self-reliant, by having access to activities to promote their independence. "They spread butter on their crackers, pour their own drinks at snack time and eagerly put on their own coats and boots before playing outdoors." The children learn about healthy eating and grow fruit and vegetables. They harvest the vegetables and make them into soup. The well-resourced play areas provide exciting experiences for the children who use the purpose built dens to create imagined scenarios. Visits to the local library, church, shops and post office ensure the children learn about the community they live in.

GOREFIELD SHOW ANNUAL MEETING

Last years show made a profit of £6,479 which the committee was very happy with. At the annual meeting it was unanimously decided that the following should receive donations of 50% to the church, £3,250; 20% to the playing field association, £1,300; 20% to the village hall, £1,300.

The remaining £650 to be donated: Bowls Club £100; Ladies Group £50; Pre School £200; School £200

Any other applications made thereafter would be given sympathetic consideration and generally any group social or otherwise in the village can apply in writing for a donation. The money is split thus because when the Gorefield Show first started nearly 50 years ago, it was organised purely to raise money for the church, thus forming a constitution.

This year's show will be held on June 11th 2011 on the playing field. It has yet to be decided on a main attraction but there will be the usual shire and light horse show, plus all the other stalls, sideshows, refreshment tent and licensed bar. In the main ring the very popular carriage driving will be back. The committee is considering a couple of novelty dog classes to involve the public, although this has to be confirmed. There will be a new attraction for the children, which involves climbing into a human sized hamster ball and propelling it across water!

The Gorefield Show committee work very hard every year to make the day as enjoyable and as successful as possible despite sometimes adverse weather but they are always open to new ideas. If anyone from the village would like to help or join the committee they would be more than welcome and should contact Mrs Jo Mitchell (Show Secretary) on 01945 870 988 or e-mail p.j.mitchell@btinternet.com As always, the show organisers can also use extra help on the day.

NEWS FROM THE WOODMAN'S COTTAGE

There will be a committee meeting in the near future to plan summer outings and parties for this year. New members always welcome.

POLICE WARNING!

It has been brought to our attention that there may be a bogus caller claiming to be from the Water Board in and around the Wisbech area. Distraction burglary is a despicable crime which can be carried out in a variety of ways and often on elderly and vulnerable victims. There are a number of precautions people can take to reduce the risk of becoming a victim. It is also important that people remain vigilant to activity in their neighbourhood, particularly in areas with vulnerable or elderly residents. Always remember:

LOCK - Is your back door locked? If not, lock it before you answer the front door as distraction burglars often work in pairs - one distracts, while the other steals

STOP - Are you expecting anybody?

CHAIN - Put this on before you open the door. If you have not got one, it is a worthwhile investment. It will give you that extra 'safe space' and barrier between you and the caller and then,

CHECK - Ask for their identification card, take it and look at it carefully. Close the door and check the number in the phone book - not the number on the card. If they are genuine they will not mind waiting or coming back another day. Bogus Callers may be smartly dressed, and claim to be from organisations such as the Council, Gas, and Water etc. They can also be very convincing and persuasive. They often use props such as an identity card, or may even wear overalls with a company logo. Anyone with information should contact Wisbech Police Station on 0345 456 456 4.

PARSON DROVE NEIGHBOURHOOD WATCH **Mike Shelley writes:**

"Crime in Parson Drive is becoming an increasing worry with theft of oil and catalytic converters, etc. As one of the Neighbourhood Watch co-ordinators, I would appreciate the support of local residents and present co-ordinators in joining a system that can warn or advise their nearest neighbours of any immediate cause for concern or crime committed. This would require all volunteers to give approval for their contact details being available within the system. For further details, contact me on 700729, or the police on 0345 4564564.

The Wisbech & District neighbourhood Watch AGM is being held in the Trinity Church Hall, Church Terrace, Wisbech, on Monday March 14th at 7.30pm".

FAMILY BINGO A SUCCESS

A family Bingo session in Gorefield Village Hall on Friday February 11th was a success. The next fundraising Bingo at the Village Hall will be on Friday February 25th followed by March 11th and 25th. They start at 7.30pm. Refreshments are available and a draw takes place during the evening. All are welcome to join in the fun – particularly families.

GOREFIELD STREET PRIDE AT WORK

On the last Saturday in January, Gorefield Street Pride met again for another stab at clearing the brambles on the Pocket Park. The weather was kind to us and we were helped along by the use of a brand new wood chipper which made light work of disposing of the brambles. I would like to take this opportunity to thank all the people who turned up to help, especially the children who were too small for bramble clearing. They helped to keep our village tidy by doing the vital role of litter picking.

It has been decided that we will meet on the third Saturday of the month at 10.00am on the Pocket Park at the junction of Cattle Dyke and Back Road. Please come along and join in, you will enjoy the friendly atmosphere and community spirit. You may have some ideas of your own for our next project, they will be most welcome. **A Holt**

EXCITING NEW GREEN "SUPERHOME"

With all the talk about Green Living, it can be hard to find the facts about what this really involves. From 1st to 3rd April, Tony and Stella Richardson are opening their bungalow home in West Walton to talk about what they've done. Over the past few years they have installed a wind turbine, solar hot water, rainwater harvesting and photovoltaic panels (electricity from sunlight). As members of the "SuperHome" network (www.SuperHomes.org.uk), all of whom have reduced carbon emissions by at least 60% through an energy saving retrofit project, they have a lot of experience of what does and doesn't work, and are happy to share it. They are having guided tours at 11am and 2pm each day, and may be contacted on 01945 780761 for more details or to make a booking. Visit Tony and Stella also on ingleside@ingleside2.plus.com

A PLEA FROM THE HEART

*"Dear God,
For 2011, all I ask for is a big fat
bank account and a slim body.
Please don't mix up the two like
you did last year!
Amen"*

FORMER PAR SEEKS SPONSORSHIP FOR WOUNDED SERVICE PERSONNEL

Twenty-three years old James Tattingham, of Gorefield, will be taking part in the Reading Half Marathon on Sunday 20th March 2011 on behalf of BLESMA, the national charity for limbless serving and ex-service men and women and their dependants and widows.

It is the charity that directly supports all our service men and women who lose limbs, the use of limbs or eyes or the sight of an eye in the service of our country and are with them all whenever they are needed for the rest of their lives. Their work starts with rehabilitation - proving that there is life after amputation. Their work is about amputee helping amputee - the fellowship of shared experience. Their work is about life-long welfare support, about campaigning for what they deserve and about being there when old injuries come back to haunt. The youngest member is 19 and the eldest is 99 - truly they are BLESMA for life.

James writes, "I recently served in the Parachute Regiment for 4 years and served on an operational tour in Afghanistan I the summer of 2008. I have witnessed the effects of war and the way it affects peoples's lives. My fellow Paras are currently serving in Afghanistan as I write this, doing their part for our country while we sleep safe at night. The main reason for me taking part in this event is that I have witnessed amputees before my very eyes, but I have also seen full recovery. I have seen a friend have both his legs and arm blown off, and because of this charity I saw him two months later after the tour actually walking. This is all thanks to charities such as BLESMA that people can go on to lead perfectly normal lives. It is outstanding. I feel that is so important that we continue to support our troops. So, I feel I should do my part here in the UK and show how much I appreciate everything they're doing for us and the risks they are taking by giving something back to them.

"I do have sponsorship forms available, but most people have been sponsoring me online at uk.virginmoneygiving.com/JamesTattingham. Through Virgin Money Giving, you can sponsor me and donations will be quickly processed. Virgin Money Giving is a not foe profit organisation and will claim gift aid on a charity's behalf where the donor is eligible for this."

Unfortunately James's email arrived at "Village Voices" too late for inclusion in the printed March issue. The April issue will probably not be delivered before March 20th, the day of the half marathon, so, to enable everyone in the area to have the opportunity of sponsoring him, we have taken this unusual step of printing James's story on a flyer in the Gorefield copies and putting it on the websites. We wish him every success at Reading. James can be contacted on 07761 2545381

Monday, 4th April 2011 – Wisbech St Mary Community Centre
Monday 9th May 2011 - Annual Assembly 7.00 pm followed by AGM at Wisbech St Mary Community Centre
Monday, 6th June 2011 - The Choquers, Thomas Drove
Monday, 4th July 2011 - Murrow Village Hall

Please note that we are again having our meetings in the Village Halls in order to try to make our meetings more accessible to all parishioners.

Parishioners are invited to attend any of the above meetings, and voice their opinions on any subject relevant to the parish during the Open Forum at the beginning of every meeting. The Parish Council is very pleased that many parishioners attend the Parish Council meetings on a regular basis, together with representatives from the police, District Councillors C Bellamy and R Srinahaw and County Councillor Jill Tuck.

There will be Parish Council elections on the 5th May 2011. The qualification for being a councillor is simple. You must be over 18 years of age, and live in or within three miles of the parish OR have your place of business in the parish. People are required who care about their village and parish, and are willing to give up some of their time. Anyone interested should contact the clerk and she will send a pack outlining details of how to become a councillor. **Please do not be overwhelmed by this pack.** If you would like to discuss any of the contents, please contact either Carolyn Jobson, our Clerk, on 474364 or Diana Thrower, our Chairman, on 700213.

Precept

The Parish Council on the 8th November 2010 built a budget for the financial year 2011/2012 and has set the precept at £43,732.00, no increase on last year. The members intend to continue with the grants to local clubs and associations as far as possible within financial constraints.

Highway Matters

- The Parish Council's jointly funded minor highway improvements to improve Wisbech St Mary/Bunkers Hill signing and lining to improve road safety, was in the top three

applications. We are waiting to hear whether, as in previous years, there will be funding for the top three to go ahead.

- The Parish Council continues to identify areas that are in need of streetlights, and if you know of an area where a streetlight is needed, please contact either one of the councillors or the clerk.
- The Parish Council continues to identify roads and footpaths that are in need of repair and continues to lobby the County Highways Department to ensure that the work is carried out as soon as possible.
- In the current financial year we have undertaken maintenance work on all bus shelters in the parish.
- The Parish Council are in the process of purchasing additional dog bins and litter bins for Guyhirn.

Notices and Agendas of meetings together with Council minutes are displayed on all the parish notice boards and the minutes are on the Wisbech St Mary website on www.wisbechstmary.org.uk.

Poors Allotment Charity

Due to the current financial position I am afraid that this no funds available for grants. The Poors Allotment are restricted to spending only the interest on capital and due to the credit crunch there is very little available at this time.
